### BRYAN MULTI-SPORTS COMPLEX – ONE OF THE BEST SOCCER FACILITIES IN THE U.S.A.

### BRYAN MULTI-SPORTS COMPLEX – ONE OF THE BEST SOCCER FACILITIES IN THE U.S.A.

**Daniel Island, SC, October 15, 2018** – Connect Sports recently named Bryan Multi-Sports Complex, in Goldsboro, North Carolina, one of “The Best Soccer Facilities in the United States.” The complex, located on 63 acres of Seymour Johnson Air Force Base, opened in April 2018. The City of Goldsboro built this addition to the base’s main fitness center in return for the United States Air Force’s leasing of its land to Goldsboro to stimulate the local economy. “There’s nowhere else in the world where a site has a static display of a F-4 Phantom greeting its athletes and spectators upon arrival,” said Ashlin Glatthar, director of travel and tourism at Visit Goldsboro.

Sprinturf installed the two synthetic soccer fields in the eight-field complex, which also features walking trails, a state-of-the-art field house equipped with concession facilities and meeting space, and over 400 parking spaces. Three days after opening, Bryan Multi-Sports Complex hosted the NCYSA Kepner Presidents Cup.

“We’re very proud to have been selected for this prestigious project,” said Webb Cook, Sprinturf’s National Sales Director. “Our 100% American made turf is so appropriate for a facility located within one of our military bases.”

*About Sprinturf, LLC: Sprinturf is a national turf company headquartered in South Carolina with fiber and turf manufacturing facilities in Alabama and Georgia. Sprinturf has been in business since 1998 with over 1,800 installations throughout North America.
