LEAP GRANT PROGRAM

LET'S BUILD TOGETHER

MATCHING FUNDS FOR ATHLETIC FIELDS AND PLAY AREAS

The LEAP Grant Program provides matching funds to help communities create safe, innovative, and inclusive spaces for athletics and play.

KEY SELECTION CRITERIA

Durable Materials: Projects must incorporate synthetic turf to ensure long-lasting performance and minimal maintenance.

Eco-Friendly Solutions: Projects that prioritize sustainable practices and innovative designs are given preference.

Inclusive Designs: Play spaces and athletic fields must be accessible to all community members.

Expert Installation: Work with our approved installers to ensure a high-quality, safe play area.

Community Impact: Empower your community with safe spaces for play, athletics, and social connection.

Grant Guidelines: Eligible projects must use synthetic turf as the primary surfacing material and prioritize innovation, safety, and inclusive design. Applicants must be schools, local governments, or community organizations serving children and families. Recipients must match grant funds, engage the community, and commit to ongoing maintenance. Projects must be construction-ready within six months of the grant award. Recipients agree to participate in promotional efforts, including facility visits, media access, and testimonials. Preference may be given to projects with Sprinturf partnerships or long-term collaboration plans. The project should promote physical activity, social interaction, and health benefits. Applications are due March 15, 2025, recipients will be announced by April 30, 2025, and installation must be completed by November 30, 2025.
